The University of Virginia Foot  
Ball Eleven Defeated

WAY OUT IN MICHIGAN

The Old Dominion's Light Line no  
Match for Ann Arbor's Heavy  
Weights—Harvard Knocks Out  
Pennsylvania—Princeton Defeats  
Brown—Yale Downs West Point—  
Fate of Other College Teams.

(By Telegraph to Virginian-Pilot.)  
Detroit, Mich., November 4.—By a  
score of 38 to 0, the University of Mich-  
igan defeated the University of Vir-  
ginia to-day at Bennett Park. Vir-  
ginia's light line was no match for the  
heavy weights from Ann Arbor, and  
in the second half went all to pieces,  
the Michigan men gaining almost at  
will. The field was rather heavy as a  
result of the recent rains, and this was  
in Michigan's favor. There was con-  
siderable punting and in this the Vir-  
ginians made a better showing. Be-  
tween 2,500 and 3,000 people watched  
the game, among whom were about  
1,200 students from Ann Arbor. Nate  
Williams, of Yale, refereed, and J. C.  
Knight, of Princeton, umpired the two  
thirty-minute halves.

**HARVARD'S VICTORY.**  
Philadelphia, November 4.—As had  
been anticipated the University of  
Pennsylvania football team was de-  
feated by the Harvard eleven by a  
score of 16 to 0 on Franklin field this  
afternoon in the presence of nearly  
25,000 spectators. Harvard deserved  
the victory because she played the  
better game. At no time during the  
contest did Pennsylvania have a  
chance to win, and the crimson goal  
line was never, for a moment, menaced  
by the players of the red and blue.

There were no sensational plays and  
the game was an ordinary one all  
through.

**A SLUGGING MATCH.**  
An incident happened at the close of  
the game which caused somewhat of a  
sensation among the spectators. When  
the whistle blew announcing the close  
of the game, Overfield, Pennsylvania's  
center rush, snatched the ball and  
made for the dressing room on a dead  
run. The custom at football games is  
that to the victor belongs the ball.  
When the Harvard men had recovered  
from their surprise they dashed after  
the flying Quaker for the purpose of  
getting the ball as a trophy. Two or  
three Pennsylvania men gave the Har-  
vard men the shoulder, and one Penn-  
sylvanian is alleged to have struck a  
Harvard man in the face. A crowd  
gathered around the players and things  
for a moment looked ugly. George  
Woodruff, Pennsylvania's head coach,  
seeing the unsportsmanlike act of  
Overfield, hastened to secure the ball  
from him, and made the latter apolo-  
gize to the offended Harvard men.  
Several men who got mixed up in the  
crowd started slugging each other, and  
the police had a hard time for a while  
in quelling the disturbance and clear-  
ing the field.

**PRINCETON DEFEATS BROWN.**

Princeton, N. J., Nov. 4.—In the pres-  
ence of 3,500 people, with a cold north-  
west wind blowing, Princeton defeated  
Brown here to-day by the score of 18  
to 6. The game throughout was char-  
acterized by Princeton's heavy line hit-  
ting and her strong defense. Brown's  
line was vulnerable in nearly every  
part.

**YALE DOWNS WEST POINT.**

West Point, N. Y., Nov. 4.—The Yale  
football team defeated West Point to-  
day, 24 to 0. By hard line bucking  
through the center and backs, pre-  
cipally by McBride, Yale carried the  
ball three times across the goal line and  
got a fourth touchdown on a decision of  
the umpire, which was questioned by  
some of those on the side lines, who be-  
lieved that instead of a touchdown by  
Yale the ball should have gone to West  
Point on their thirty-yard line.

West Point was on the defensive most  
of the time, but made gains through  
Yale's left tackle several times.

**OTHER GAMES.**

LaFayette, 17; Lehigh, 0.  
University of Chicago, 44; Purdue  
University, 0.

Washington and Lee University, 6;  
Hamden-Sydney, 5.  
Swarthmore, 6; Dickinson, 5.

**FAILED TO MATERIALIZE.**

(Special to Virginian-Pilot.)

Williamsburg, Va., Nov. 4.—There  
was no football game this afternoon be-  
tween William and Mary and Richmond  
College. For the past two days two of  
William and Mary's best men were sick  
and it was necessary to sign two out-  
siders. Richmond agreed to play under  
the circumstances, but this afternoon  
refused to unless the two outsiders  
were rejected. William and Mary con-  
sented to substitute two men from the  
second team if Richmond would with-  
draw its two "ringers." This they re-  
fused to do. The game was therefore  
declared off by Richmond. The Rich-  
mond team were jeered and hissed off  
the field by William and Mary rooters  
and the spectators.

**NAVAL CADETS WIN.**

Annapolis, Md., Nov. 4.—The Naval  
Cadets won a victory this afternoon  
from the University of North Carolina  
by a score of twelve to nothing. No  
score was made in the first half, but in  
the second Wade and Halligan made  
touchdowns and Workman kicked goal.

**CHANGE OF SCHEDULE.**

**FOR BENEFIT OF TOURISTS TO  
FLORIDA.**

East Coast Railway, Plant System,  
Atlantic Coast Line, Norfolk and West-  
ern, and Chesapeake and Ohio Rail-  
ways, held at the Pennsylvania Rail-  
road station in this city yesterday,  
important changes of schedules were  
determined upon.

**AMERICA AND CHINA.**

**STATE DEPARTMENT LOOKING  
AFTER OUR INTERESTS.**

(By Telegraph to Virginian-Pilot.)

Washington, Nov. 4.—For the past  
year, under instructions from the Pres-  
ident, the State Department has been  
quietly negotiating for the consumma-  
tion of American interests in China.  
The officials of the State Department  
flatly refuse to make any statement  
relative to the measure of success that  
has attended their efforts, though it is  
admitted that the subject is so far still  
open, although the prospects of ulti-  
mate success are regarded as highly  
encouraging.

A Government official in high station,  
who has large experience in Chinese  
questions, is authority for the state-  
ment that our Government does not  
apprehend any immediate injury to  
American interests from the political  
moves that are being made in China.  
On the contrary the conditions are  
such in the Flowery Kingdom that

there is reason to believe that so far  
from restraining the operations of the  
United States' trade extension in that  
quarter the European nations which  
have under one or another pretext  
seized upon portions of the Chinese  
coast, would actually welcome our ad-  
vent as calculated to materially assist  
their own efforts to break down Chinese  
conservatism and open up vast mar-  
kets in the interior of China to the  
trade of civilized nations.

**SPEEDY JUSTICE.**

**PREVENTS TROUBLE IN NORTH  
CAROLINA.**

(By Telegraph to Virginian-Pilot.)

Raleigh, N. C., Nov. 4.—At Lumber-  
ton, N. C., to-day Reuben Ross, col-  
ored, was convicted of assault and sen-  
tenced to be hanged on December 7th,  
next. His victim was Mrs. Bettie In-  
gram, a highly respectable lady.  
The feeling of the people was so  
strong against the prisoner during the  
trial that the court had to exercise  
great precaution to prevent an out-  
break against the prisoner. It was  
only the fact that the people felt con-  
fident that speedy justice would be  
meted out to the brute that restrained  
them from violence.

The prisoner, however, had a fair  
trial, and his guilt was clearly estab-

lished. Mrs. Ingram, while giving her  
testimony, fainted, and the excitement  
among the men in the court room be-  
came so intense that many were sent  
to place their hands on their pistols.  
The woman, in consequence of the  
crime, is a physical and almost mental  
wreck.  
But for the great precaution taken  
it is probable that the negro would  
have been riddled with bullets in the  
court room.
